DETAILED ACTION

Allowable Subject Matter

The following is an examiner's statement of reason for allowance:

Claims 1-8 are allowable over the prior art of record because the prior art of record does not teach or render obvious a semiconductor package comprises, in combination with all other features, a plurality of support feet attached to the peripheral edge of the die pad as recited in independent claim 1.

Claims 9-13 are allowable over the prior art of record because the prior art of record does not teach or render obvious a leadframe for use in a semiconductor package, the leadframe comprises, in combination with all other features, a plurality of support feet attached to the peripheral edge of the die pad as recited in independent claim 9.

Claims 14-20 are allowable over the prior art of record because the prior art of record does not teach or render obvious a semiconductor package comprises, in combination with all other features, a die pad including a plurality of peripheral frame segments which each define opposed top and bottom surfaces and collectively define a central opening; a plurality of support feet attached to at least some of the frame segments of the die pad, the support feet being disposed within the central opening and extending downwardly relative to the bottom surfaces of the frame segments as recited in independent claim 14.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
